NORTH CAROLINA LOUIS STOKES
ALLIANCE FOR MINORITY PARTICIPATION

SUMMER BRIDGE PROGRAM AT UNC PEMBROKE

Program Purpose

The Summer Bridge Program is designed to introduce 15-20 minority students to the rigors of college life while exploring science, math, engineering, and technological (SMET) fields of study. The program is conducted over a period of five weeks where students are given the opportunity to gain valuable knowledge of SMET areas and interact with professionals in such fields. Each student will be involved in laboratories and special projects designed to enhance his/her skills and enhance the overall learning experience.
