

*“... developing new knowledge goes hand-in-hand with educating and mentoring students.”*

--NSF Strategic Vision Document, Jan 2003

# **NSF Undergraduate Research Poster Showcase**

**231<sup>st</sup> ACS National Meeting, Atlanta, GA  
Monday, March 27, 2006**

**Georgia World Convention Center  
Building B Room 308/309  
11:00 AM – 2:00 PM**

*Meet future chemical scientists and their mentors.*

*Join NSF Division of Chemistry staff members, along with undergraduate researchers and their advisors supported through NSF Research Experiences for Undergraduates (REU) and Louis Stokes Alliances for Minority Participation (LSAMP) programs, for an informal reception. Posters illustrating research conducted by these students will be displayed at the reception.*
